DIAMOND HYDRA REPAIR SKINCARE

### Anne Jensen Skincare

France has nearly for a century been pioneer in skincare and skincare ingredients. With eye on the future

Anne Jensen choose France to develop the future of the skincare.

In every skincare products from Anne Jensen lies ingredients sourced with care and treated with fresh expertise.

### Natural grown

Natural grown are sustainable grown in every steps. traditional grown methods respect the natural nutrients in the process, producing the highest quality ingredients based on techniques used for generations .

Anne Jensen Diamond Skincare are between 84 % to 100 % natural ingredients.

Anne Jensen Diamond skincare is a clean beauty line based on aqua marine botanicals, which calm the skin and natural botanicals which helps improve the skin.

### Sustainable

If we really want the sustainable line then it's all about the finest ingredients for the skincare itself and the most recyclable materials for the packaging.

And for skincare produced in the finest ingredients, glass packaging is preferable as they can be recycled.

The purer the ingredients used in skincare the harder they have to work with plastic material and they often end up rancid.

The packagings are recyclable. How to sort depend on your country way to recycle.

### Test

Anne Jensen Skincare series has documented test results on the products.

### DIAMOND HYDRA SERUM

This serum with a fresh texture quickly absorbed will instantly recharge the skin with water. To do this, sodium hyaluronate, an active ingredient that boosts aquaporins and a moisturizing tamarind extract are at work at the heart of its formula.

After this first essential and quick gesture, almost airy, the skin is moisturized, protected and ready to receive the cream.

### DIAMOND HYDRA REPAIR CREAM

This unctuous and slight cream melts delicately and leaves a protective film on the skin. Thanks to a selection of nourishing active ingredients, this cream provides smoothness and comfort to the skin all day long.

### DIAMOND BODY MILK

Shea butter: rich in fatty acids, vitamins and minerals conditions, nourishes and protects the skin. Gives a softness to the skin.

Sunflower oil is rich in vitamin E Antioxidant effect. Brown seaweed extract provides the skin with minerals that lots of moisture and softness .
